The primary task of the ILHPG is to partner with the Health Department (HD) to address how the jurisdiction can collaborate to accomplish the results set forth in the HD’s PS12-1201 Prevention Funding Opportunity Announcement application and to reduce HIV incidence in the jurisdiction.

The primary goal of the HPG is to inform the development and update of the HD’s Jurisdictional Plan that will contribute to the reduction of HIV infection in the jurisdiction

Standing Committees	Prevention Interventions	Epi Profile Data	Community Services Assessment (CSA) Activities	Gaps Analysis	Priority Populations
Monthly conference calls; break-out meetings during quarterly HPG meetings; work to complete committee objectives; present findings to HPG. <div><div>1. Epidemiologic Profile/Needs Assessment</div><div>2. Evaluation</div><div>3. Executive</div><div>4. Interventions & Services</div><div>5. Membership</div></div>	Presentations to HPG on interventions and associated recommendations that IDPH may consider for prioritization to help determine prioritized strategies and interventions used with target populations.	Describes the HIV/AIDS epidemic in Illinois. The current Epi Profile data may be supplemented with updated data provided by the HIV/AIDS Section, behavioral science and social determinants data, and applicable research data.	Determines and describes the prevention needs of the at-risk populations. Comprised of review of the current resource inventory, analyses of needs assessments activities done during the year, and review of other applicable needs assessment data from other programs (e.g., Statewide Coordinated Statement of Need)	Process led by IDPH, with input from the Epi/Needs Assessment Committee, to determine gaps between the HIV/AIDS epidemic and service delivery in the jurisdiction, addressing needs and gaps in prevention services. IDPH presents the results of the gaps analysis to the full HPG and solicits input on recommendations.	Populations targeted for prevention interventions efforts in the upcoming year.
